

797 Home Facial tissue dispenser "Petit Caresse"

An object of great character. Peculiar and fun the dispenser for multi-purpose tissue paper is for a young, dynamic public, and adapts to the fast rhythms of modern life.

Bathroom courtesy box **817 Home**

It seems as though it has been moulded by the soft and relentless passage of water. The Mar Plast Home object holder is, instead the result of a long experience in the design and processing of plastic of a business made in Italy.

796 Home "Dous-dous" refilling soap dispenser

The Mar Plast Home "Dous-dous" is the free object par excellence, chameleon-like. Ergonomics and compactness mean it can be positioned anywhere and moved easily, while its elegant transparency creates a fusion of tones and colours with the contents and container.

"Calla" refilling soap dispenser **764 Home**

Soap changes identity and becomes liquid. The soap dispenser adapts and becomes, in version 764, an ironic container with an unexpected shape, an object suspended between present and past destined to become a new timeless Mar Plast Home "classic".

812 Home Twin coat hook

The double horizontal Mar Plast Home hanger praises equilibrium, a concentration of strength and design in only 10 centimetres.

Toilet paper dispenser **619 Home**

The design of the Mar Plast Home toilet paper dispenser inspires liking. Maybe for its extra-large lines. Maybe for the irony of its design. Maybe, but a little irony has never hurt anyone.

811 Home Single coat hook

Simplicity. Beauty. Truth. Many will be envious but the single vertical hanger does not have secrets: it is visibly beautiful, in all its simplicity. Design does not lie!

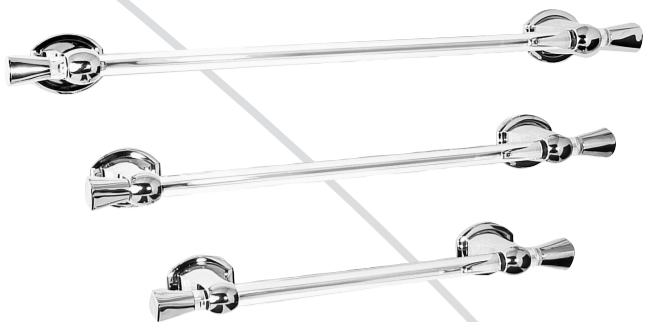

Water-closet brush **654 Home**

Chromium-plated. From head to toe. An object, toilet brush holder 654, which shines in its own light, element of design that no longer needs to be hidden, but can be showed off in all its splendour.

All chrome items are also available in white or satin.

THE CHROME BY MAR PLAST HOME
 The concept of uniqueness. A new philosophy. A basic, lifestyle principle. This is the latest Mar Plast Home collection, the line of bathroom chromium-plated accessories which launches the lightstyle trend.

- 798 Home** Towel support 620 mm
- 815 Home** Towel support 520 mm
- 792 Home** Towel support 420 mm

The design of the new Mar Plast Home towel bars has been thought of for the present. With simple, basic shapes and with a sole, clear inspiring principle: the needs of who will use them. Each day. Every day.

Table soap dish **818 Home**

Elegance is an obsession for the Mar Plast Home designers. Above all since the creation of the standing soap dispenser which in its chromium-plated version is unrivalled as far as glamorous curves and chic lines are concerned

794 Home Support for toothbrushes wallmounted

With Mar Plast Home comes the era of eco design and everybody falls in love with it. Plastic, material of the III millennium, gives life to an original toothbrush holder, a furnishing accessory that is "precious" since it has been created using completely recyclable material. This is Eco design!

Support for toothbrushes freestanding **795 Home**

A brilliant idea! Once the banal and predictable glasses that hold the toothbrushes have been eliminated, the bathroom is on the look out for a precious furnishing accessory that is not too demanding and equally functional. Mar Plast Home has introduced an 'out of the range' toothbrush holder to its collection.

816 Home Dust bin whit weighing lid and wall support

Mar Plast Home transforms its wastepaper bin into pure enjoyment. The chromium-plated lid and the transparent body create an unusual effect of lights and shadows, reflections and transparencies which bring an elegant breath of novelty to the home's environments.

Toilet paper holder **814 Home**

What is design if not aesthetic minimal art and rationalism? The toilet paper holder from the Mar Plast Home collection is synthesis and expression of pure design, essential, without other demands than to be useful, functional, irreplaceable.

793 Home Soap Support wallmounted

Style to the nth degree. Chromium-plated support and glazed soap dish: a union which turns the concept of functionality into the more noble one of style, today, key word in the choice of furnishings for the home.

Wall toilet brush **658 Home**

Once an object to be hidden, thanks to Mar Plast Home, the wall toilet brush is now the icon of the contemporary bathroom, an elegant and stylish object to be given or received as a present with non-conformist spirit. For those who never take themselves too seriously.
